TO: ALL OUTBOUND CANDIDATE STUDENTS

RE: FINAL INBOUND EVENT – JUNE 14 - 15, 2014

All outbound candidates should have received email correspondence from Terry with information about the final inbound event on June 14-15. Here is the additional information for outbound candidates regarding your role at this event.

This is **NOT** a required event for outbound candidates. There are three things that outbounds are asked to do to support the inbounds at this event:

1. Every attending outbound bring a dessert that represents the country you are going to. This might be a chance to practice some cooking that you could use while on exchange. Since inbounds will not be bringing desserts and there will be fewer outbounds than inbounds, if your dessert will feed 8 -10 people that should be plenty.
2. Outbounds decorate the meeting room. Jeana Taylor is the decorations chairman, so if you are interested in helping with the decorations contact her to be on her committee. Her phone is 503-867-0732 and email is: jeanataylor123@gmail.com. Decorations should not include glitter or other hard to clean up materials. There are long tables to decorate and probably things to hang on the walls. Be creative! The decoration committee should arrive at the event at 4pm to decorate the room.
3. Outbounds prepare and present each inbound with a certificate recognizing something unique and special about that student (for example "Best Smile"). Nathan Barinstein is the chairman of the committee doing this so if you are interested in helping on his committee, contact him at 503-943-0273 or email: nbarinstein@gmail.com. This is to be a surprise for the inbounds so keep this confidential. Again, be creative!

Be sure and review the email you have received from Terry about this event and what to bring and to contact me if you are coming if you haven't already. If we don't think you are coming then we won't order dinner for you! You cannot stay overnight and must be picked up by 11:30 pm on Saturday night. Hope to see you all there.
