District 5100, located in Oregon and Washington, USA

2015 TALENT SHOW SIGNUP

The exchange students both outbound and inbound will be presenting a talent show at the District Conference in Pendleton, Oregon Friday evening May 15th from 8:00 – 9:30 PM. The show is a long standing tradition and is considered by many the highlight of the conference. As the Talent Show Coordinator I would like to invite you to share your talents with each other and the Rotarian's at District Conference.

Auditions will be held Thursday morning May 14th starting around 8:30 AM , at the Vert (near the convention center) After the Thursday morning auditions, we will have rehearsals both Thursday afternoon and Friday with a dress rehearsal Friday afternoon. Rehearsals will be held at the Vert Thursday and Friday morning moving to the site of the District Conference, the Pendleton Convention Center on Friday afternoon.

If you wish to audition for the talent show on Thursday, please complete the information below and either e-mail tmohr@carsonoil.com or fax 503-224-2570 or mail: 15158 SE La Marquita Way, Milwaukie, Oregon 97267-3129 by no later than Monday, May 4th. Or you can just e-mail back and answer the questions on the form. Texting to 503-319-0369 works too. **HOWEVER DO NOT PUT THIS OFF, SIGN UP TODAY!!**

You may sign up on the day of the audition, but your early response gives us an opportunity to see what type of performances to expect and if we need to provide you with any special equipment.

The show will be professionally videotaped and a copy of the DVD will be given to all Talent Show Participants. Non-participants may purchase the DVD.

All acts, dancing, piano, other musical instruments, singing, short plays, poems, martial arts, country skits, comedy monologues are welcome to audition. If you wish to put an act together with a group of students, please have some idea of what you wish to perform before you arrive at the camp and get together to practice if at all possible. You will have very limited amount of time to practice your act prior to the auditions on Thursday. **Performances must not exceed 5 minutes so everyone who wishes to has a chance to participate.**

We are strictly limited in the time we have for the talent show. If we find we have too many acts, and the show is too long, we may have to either cut or shorten acts. For that I apologize in advance. Your participation in the show is voluntary, but we encourage you to share your talents as part of the exchange experience. Outbound's, even if you think you have no talent (like me), consider joining a group or giving something new a try. It's something you will likely be expected to do while on exchange, so now is a great time to get some experience in front of a friends and a live audience.

If you have questions, I can be contacted either by the e-mail address above or at 503-319-0369.

Thanks in advance for you participation in this fun event.
